MEET GERARD

Gerard Falcone is a children's book author and the founder of **G. Falcone Publications**, an independent press devoted to stories that stir wonder in young readers. His debut, *Rose and the Tiny Ticket to the Magic Gate*, launched The Magical Ticket Series - a collection of illustrated read-alouds for ages 4-8 built around courage, kindness, and quiet magic.

Drawing on a lifetime of storytelling, Gerard writes for the bedtime hour - those last unhurried minutes when a single page can shape a child's whole imagination. His stories aim to feel both timeless and brand-new: gentle in tone, vivid in image, and rich with small moments worth lingering on.

Gerard is available for podcast interviews, school visits, bookstore events, library programs, and speaking engagements - in person and virtually.
